

WHY A STUDENT SHOULD CHOOSE SKILL LAB ACADEMY OVER OTHER INSTITUTES:

- EXPERT FACULTY TEAM
- PERSONALIZED TEACHING METHODOLOGY
- ION PREP TEST BY TATA CONSULTANCY SERVICES
- BENCHMARK EXAMINATIONS AT ORIGINAL EXAM ATMOSPHERE
- PERSONALIZED ANALYSIS REPORT
- QUESTION BANKS

Competitive Atmosphere:

Competitive environment and focused learning at Skill Lab Academy provide the necessary edge and exposure to students.

Exam Preparation:

Set of Benchmark Exams both online and offline at the original exam center and exam atmosphere like the main exam.

Integrated Education:

Integrated approach of teaching not only prepares students for entrance exams but also for Board Exams.

Doubt Clearance:

The students at Skill Lab Academy find the doubt clearing system quite helpful. During doubt clearing sessions the students can clarify any kind of doubts on any topic from the respective teachers allotted.

Personalized Analysis Report:

The personalized analysis report gives a student a clear picture of his strengths and weakness in the entire syllabus. It also clearly points the areas of improvement and attention.

Time Management:

Online prep test help students to learn the time management which is the most essential during entrance examinations.

The System of Training at Skill Lab Academy:

At Skill Lab Academy, we follow the best scientific ways of learning which results in the conceptual clarity of the students. Here we follow two basic rules – one is to cultivate conceptual clarity among the students and one the other hand make the student familiarized with the exam atmosphere and the software used in original exams.

TATA Consultancy Services is conducting national level entrance / competitive exams like JEE (Mains), JEE (Adv), KVPY, Math Olympiads, AIIMS, JIPMER, BITSAT and many more.

Skill lab Academy has collaborated with TCS to give our students the best experience of online tests, personalized analysis of their preparation and to be familiarized with the original exam atmosphere.

Skill Lab Academy follows an outcome based concept improvement program integrated with world class analytics and assessment focused on learning concepts. Here the focus is not just limited to access the exam readiness of the students but also to cultivate conceptual assimilation in each subject.

The personalized analysis report provides students a detailed view of their performance and equips them to excel any entrance examination. The system functions in a transparent manner and the parents can easily track their wards with regards to their performance.

TEACHING METHODOLOGY:

- Standardized Education Delivery
- Planned and Documented Lectures
- Holistic Teaching
- Standard Mentoring
- Parents – Teachers Meetings.
- Prep – Tests
- Benchmark Examinations
- Improvement Exams & Error Practice Materials
- Aptitude & Advanced Tests.
- Question Banks

A standardized education deliver methodology at Skill Lab Academy ensures perfect and consistent coaching by our faculty members. Classroom Training united with Prep Tests ensures maximum conceptual clarity among the students. The reports enable our faculty members to evaluate the weakness of the candidates in the particular sections of the chapters which is further cleared up in the next classes. In this process students can also get an overview of their performance and the status of their preparation so that they can assess themselves and prepare for their entrance examinations.

The benchmark examinations are conducted both in online and offline mode which gives the students an exposure to the original exam pattern and atmosphere, which gives better confidence for the students when they appear for their final entrance examinations.

The rigor of the program ensures students to get closer to their learning and career targets.

FACULTY AT SKILL LAB ACADEMY:

- Highly Professional
- Subject Experts
- Perfect Blend of Academicians.
- Personalized Care

Skill Lab Academy, through its experience in the education sector for over a decade and with a series of its regular colleges has the pool of best in class faculties. Our faculties are selected from IITs, NITs and premier universities. Our faculty pool is a perfect blend of subject experts and academicians. TCS being a brand name attracts the best talent in the industry for all subjects from every nook and corner of the country.

Skill Lab Academy ensures the training program to be a personalized program in terms of a perfect blend among the faculty team and the expertise of TCS in analyzing the student's conceptual clarity. Our faculty member also ensures the use of graphics and diagrams generated by latest software to ensure the best output for our students.

Our R & D team is constantly working in hunting for the gems with particular subject expertise to deliver the best to our students in terms of quality.

ASSIGNMENTS AT SKILL LAB ACADEMY:

- Conceptual Clarity
- Address Specific Area of Improvement
- Enhance Time Management.
- Reduce Errors.
- Boost Test Scores.

Assignments give our students a remarkable edge over others. The students are exposed to test the clarity in their understanding of the previous classroom training with a set of weekly concept tests. This is a routine that follows the curriculum of the training. Assignments ensure the students to nurture the conceptual clarity and time management and to minimize errors to ensure the student excel in any entrance examinations.

ASSESS

Year – 1: Class XI Syllabus:

- 2 classroom training in a week (4 hours each)
- 1 Prep Test in a week (1 Hour Each)
- 30 minutes Doubt Clearing sessions in a week
- 2 Benchmark Exams (1 online/ 1 offline)
- 2 Improvement Exams
- 2 Aptitude Exams
- 2 Advanced Test

Year – 2: Class XII Syllabus:

- 2 classroom training in a week (4 hours each)
- 2 Prep Test in a week (1 Hour Each)
- 30 minutes Doubt Clearing sessions in a week
- 3 Benchmark Exams (2 online/ 1 offline)
- 3 Improvement Exams
- 2 Aptitude Exams
- 2 Advanced Test

Additional Benefits:

- Error Practice Material.
- Question Banks
- Updates & Guidance for Scholarship Exams.

FOR CLASS XII STUDENTS & CLASS XII PASSED:

One Year Composite Course for Medical

- 3 classroom training in a week (4 hours each)
- 3 Prep Test in a week (1 Hour Each)
- 30 minutes Doubt Clearing sessions in a week
- 5 Benchmark Exams (3 online/ 2 offline)
- 5 Improvement Exams
- 4 Aptitude Exams
- 4 Advanced Test

Additional Benefits:

- Error Practice Material.
- Question Banks
- Updates & Guidance for Scholarship Exams

CLASSROOM COURSES FOR ENGINEERING:

For Class XI Students:

Two Year Integrated Course for Engineering:

Year – 1: Class XI Syllabus:

- 2 classroom training in a week (4 hours each)
- 1 Prep Test in a week (1 Hour Each)
- 30 minutes Doubt Clearing sessions in a week
- 2 Benchmark Exams (1 online/ 1 offline)
- 2 Improvement Exams
- 2 Aptitude Exams
- 2 Advanced Test

Year – 2: Class XII Syllabus:

- 2 classroom training in a week (4 hours each)
- 2 Prep Test in a week (1 Hour Each)
- 30 minutes Doubt Clearing sessions in a week
- 3 Benchmark Exams (2 online/ 1 offline)
- 3 Improvement Exams
- 2 Aptitude Exams
- 2 Advanced Test

Additional Benefits:

- Error Practice Material.
- Question Banks
- Updates & Guidance for Scholarship Exams.

FOR CLASS XII STUDENTS & CLASS XII PASSED:

One Year Composite Course for Engineering

- 3 classroom training in a week (4 hours each)
- 3 Prep Test in a week (1 Hour Each)
- 30 minutes Doubt Clearing sessions in a week
- 5 Benchmark Exams (3 online/ 2 offline)
- 5 Improvement Exams
- 4 Aptitude Exams
- 4 Advanced Test

Additional Benefits:

- Error Practice Material.
- Question Banks
- Updates & Guidance for Scholarship Exams
